A resident attended to enquire about grass cutting in Ardley Road. It was explained that the Parish Council received a small sum of money from OCC to support highway grass cutting, but this did not include Ardley Road. However, it was agreed that the Council should ascertain the cost from the grass cutting contractor.

5 new trees at the reserve are struggling, although a resident has helped with water supply. Concern was expressed about the damage to the verge outside the new building in Water lane. The Clerk will ask CDC planning to ensure that the verge is re instated appropriately following completion of the work.
